# Workforce Business Development

OFFICIAL

- Engage with local businesses, colleges and independent training providers, networks and working groups to support future workforce and economic growth and development plans.
- Providing business support in bridging recruitment and industry skills training gaps.
- Generate opportunities to communicate and grow the number of small, medium (SMEs) businesses taking on new apprentices across the HEY region.
- Seek opportunities to facilitate apprenticeship levy transfer and local levy reinvestment
- Raising awareness of and navigating the latest government funding grants schemes and initiatives to support the economic growth and development of new and established businesses.
- Undertaking a full Business Needs Analysis diagnostics to identify additional areas of business support need.
- Monitor labour market trends, gather local business intelligence data to contribute too and shape the future of the HEY LEP service offer and inform local skills provision.

OFFICIAL

# OFFICIAL Levy Transfer re-investment

## Available Funding!!

- The HEY LEP Employment and Skills Team are pleased to inform businesses and our training provider colleagues of existing levy transfer funds kindly donated and to be made available through the levy transfer scheme.
- Funding to be utilised to support the individual growth and development of small to medium-sized enterprises across the HEY LEP region.
- Details on how to submit an expression of interest will be promoted via the October edition of the HEY LEP Skills Network Newsletter. Alternatively, contact Carl Southcoat on 07718 695079 or via email at: [c.southcoat@heylep.com](mailto:c.southcoat@heylep.com).
- Please help us to spread the word by sharing with your networks so that these funds can be utilised locally.

OFFICIAL

New government Digital Strategy (2022) aims to “harness digital transformation and build a more inclusive, competitive and innovative digital economy” by focussing on:

1. Digital Foundations
2. Ideas and intellectual property
3. **Digital Skills and Talent**
4. Financing digital growth
5. Spreading prosperity and levelling up
6. Enhancing the UK’s place in the world

# Digital Skills and Talent

- 3.1 [Strengthening the digital education pipeline](#)
- 3.2 [Increasing awareness of pathways into digital occupations](#)
- 3.3 [Developing advanced digital skills](#)
- 3.4 [Lifelong digital skills](#)
- 3.5 [Collaborating with the private and third sector on digital skills](#)
- 3.6 [Attracting the brightest and best globally](#)
